

The Corporation of the Township of Brock
By-law Number 3328-2025

A by-law to prescribe a tariff of fees for the processing of applications made in respect of planning matters (“The Planning Fees By-law”)

Whereas section 69(1) of the Planning Act, R.S.O. 1990, c. P.13, provides that the council of a municipality may, by by-law, prescribe a tariff of fees for the processing of applications made in respect of planning matters;

Now Therefore the Council of the Corporation of the Township of Brock hereby enacts as follows:

1. In this by-law,
 - (a) “Act” means the Planning Act, R.S.O. 1990, c. P.13, as may be amended from time to time;
 - (b) “Applicant” means the owner of a property, or the person authorized in writing by the owner, to submit an application;
 - (c) “Clerk” means the Clerk for the Township;
 - (d) “Consultant” includes, but is not limited to, any engineer, surveyor, solicitor or planner;
 - (e) “Consulting Costs” means the fees and disbursements payable by the Township to a consultant or consultants for services rendered in connection with the application;
 - (f) “Director” means the Director of Development Services for the Township;
 - (g) “Township” means the Corporation of the Township of Brock, and for the purposes of this by-law includes the Committee of Adjustment for the Township of Brock;
2. There shall be a fee imposed for the submission and processing of each application submitted to the Township in respect of planning matters, in accordance with the tariff of fees set out in Schedule “A” attached hereto and forming part of this by-law.
3. The applicable fee(s) shall be paid at the time that the application is submitted or as otherwise noted. No application will be considered complete or reviewed until such time as the applicable fees are paid in full.
4. In addition to the fee(s) required pursuant to Section 2 hereof, Consulting Costs may be charged as a fee to the Applicant where the Director in their absolute discretion deems it advisable to retain a consultant(s) to assist in processing the application.

In the event fees are chargeable to the Applicant pursuant to this Section, the Applicant shall pay the fees to the Township based upon invoices provided by the Township.
5. Where Section 5 applies, the Director may at any time, including before or after a consultant is retained, require the Applicant to enter into an agreement with the Township, such agreement to be in the form as set out in Schedule “B” attached hereto and forming part of this by-law, and the obligations thereunder shall be secured by the posting of a cash security or letter of credit as set out in Schedule “B.” The Clerk is authorized to execute such agreement on behalf of and which agreement shall be binding upon the Township.
6. Notwithstanding Sections 2 and 5 of this by-law, where
 - (a) the Township is opposed to any application, and

- (b) the application is appealed to or comes before the Ontario Land Tribunal (OLT), then the Consulting Costs incurred thereafter may not be charged as a fee to the Applicant, and any agreement entered into between the Township and the Applicant under Section 6 shall be limited to the Consulting Costs incurred prior to and including the day upon which Council for the Township makes a decision concerning the subject application.
- 7. The Director shall, in their absolute discretion, determine whether any application constitutes a “minor” or a “major” application type or revision whenever such terms are used in the tariff of fees contained in the schedules to this by-law.
- 8. Wherever discretion to make a decision is conferred upon the Director in this by-law, the Applicant may appeal the decision of the Director to the Township Council upon written application to the Clerk who shall refer the matter to Township Council for a final decision.
- 9. The tariff of fees set out in the schedules attached hereto shall be nonrefundable, except that Township Council or the Committee of Adjustment, as the case may be, may, by resolution, waive or refund, in whole or in part, the applicable fees for any application where in the opinion of Council the strategic objectives of the Township are advanced by reducing or waiving such fees and or the Committee of Adjustment is satisfied it would be unreasonable to require the payment of fees. A request to waive or refund the fees shall be submitted to the Clerk who shall refer the matter to the appropriate body for a decision.
- 10. The fees are subject to an increase of 2% annually on January 1st, without amendment to this By-law to account for the effects of inflation (rounded to the nearest dollar or cent).
- 11. If any provision of this by-law is declared invalid for any reason by a court of competent jurisdiction, the remainder of this by-law shall continue in force.
- 12. In this by-law, words importing the singular number only shall include the plural, and vice versa, and words importing the masculine gender shall include the feminine gender.
- 13. This by-law shall be known as the “Planning Fees By-Law.”
- 14. By-law Number 3000-2021, as amended, is hereby repealed in its entirety.
- 15. This By-law shall come into full force and effect on the date of its passing.

Enacted and Passed this 24th day of February, 2025.
