Note:

- Sanitary and storm sewer connections to be secured as required by the Region.
- The water service will be turned off at the curb stop and the water meter removed from the building.

To The Chief Building Official:

The undersigned hereby applies for a permit in accordance with the application, plans, specifications and data sheets herewith submitted, and acknowledges that the proposed work must comply with the provisions of the BUILDING CODE ACT, the Ontario Building Code and any other statues or regulations of the Province of Ontario, and all by-laws of the Corporation of the Township of Brock and the Regional Municipality of Durham, it being expressly understood that neither the issuance or a permit nor the carrying out of inspections by the Township shall relieve the applicant from full responsibility for compliance with all the said statues, regulations and by-laws.

The undersigned certifies:

- That he/she is the owner/authorized agent of the owner named in this application.
- That all statements made and information supplied in connections with this application are true and factual.
- That the above-noted engineer or architect has been retained by the owner to carry out the field review of construction or demolition or both, pursuant to the provisions of the Building Code.
- That the owner will assume cost of any damage to the property on any side of the lot, by the owner or employee during construction of the project.
