May 17, 2019,

Dear Business Owner:

The Township of Brock is proud to present Brock Summer Day Camp 2019 which will operate for 8 weeks this summer. Camp runs out of the arenas in Sunderland, Cannington and Beaverton for children ages 4-12. The Township of Brock Summer Day Camp has been running for many years and grows more popular each and every year!

One of our greatest additions was introducing weekly field trips. This is a great opportunity for our three camp locations to join together and make new friends from other camps. This year our campers will be heading to Cedar Water Park, Roxy Theatres, Legoland, Neb's Fun World, Endless Fun, and Reptillia. On the morning of our trips each camper is given a bright yellow t-shirt to wear and keep to help easily identify them in our group.

While we have had tremendous support through the years for this event, fundraising efforts become a little more difficult each year. We are always seeking new sponsors. Any company or organization wishing to support our cause should refer to the enclosed sheet entitled "Sponsorship Opportunities & Donations" or give us a call at 705-432-2355. All contributors will be recognized on the back of the campers t-shirts. No contribution is too small.

If you wish to make a donation, or have any questions, please contact Alicia Bagshaw at abagshaw@townshipofbrock.ca or at 705-432-2355 ext. 243.

Sincerely,

Alicia Bagshaw
